- figma

about me

As a passionate student in both programming and graphic design,
I bring a fusion of technical and creative skills to frontend development.
Eager to contribute to innovative projects, I thrive in collaborative environments and am committed
to crafting user-centric experiences.

projects

</> jcbk.pl

my personal portfolio website.

tools:
> react
> typescript
> tailwind
> css

</> save.cash *savecash.jcbk.pl*

a website that helps users with their cash savings.
with an online balance counter and custom goals
you always know how much you have and how much you need

tools:
> react
> typescript
> css
> firebase

</> wbijam redesign *wbijam.jcbk.pl*

a redesign of a polish anime website called „Wbijam"
gave it a more modern anime style look

tools:
> react
> typescript
> css
